Salary of Staff of National Nutritional Monitoring Bureau

1722. SHRI CO. POULOSE: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether representations have been made by the staff of Nagpur Nutritional Monitoring Bureau staff that they have not received salary for months of February to May, 1998 and that National Institute of Nutrition, Hyderabad which is to send D/D for the purpose, has not yet sent the D/D;

(b) whether non-payment of salary every months has become a regular feature;

(c) if so, the reasons for non-payment of salary regularly; and

(d) by when the payment for February to May, 1998 is likely to be made?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI N.T. SHANMUGAM): (a) to (d) The salarly to the Staff of National Nutritional Monitoring Bureau, Nagpur for the months of February 1998 to April, 1998 and May, 1998 was paid on 20.5.98 and 9.6.98 respectively. The delay in payment of salaries occurred on account of non-receipt of progress report from this State Unit.

Brain Fever Cases in Karnataka

1723. SHRI K.C. KONDAIAH: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the number of people died due to brain fever in various districts in Karnataka since October, 1999;

(b) the number of brain fever cases reported in Bellary District Hospital and in National Institute of Mental Health and Neuro-Sciences, Bangalore; and

(c) the amount of assistance, if any, given by Government to Karnataka to take measures to control brain fever?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI N.T. SHANMUGAM): (a) A statement enclosed. *(see below)*

(b) As per report of the samples received at the ICMR's Bangalore Field Station, 51 out of 173 blood samples from suspected cases of Japanese Encephalitis from Bellary district were positive.

During 1999 the number of Japanese Encephalitis (brain fever) cases admitted in National Institute of Mental Health and Neuro Sciences, Bangalore is 60.

(c) 250 MT of DDT was allotted to Karnataka Govt, part of which was being used for Japanese Encephalitis control. In addition 2MT of malathion technical was immediately allotted to the State for Japanese Encephalitis control operations.
